

Pupil premium strategy statement Thompson Primary school

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
Number of pupils in school	87
Proportion (%) of pupil premium eligible pupils	16%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2023 - 2026
Date this statement was published	2023
Date on which it will be reviewed	September 2024
Statement authorised by	Lisa Heath (Headteacher)
Pupil premium lead	Lisa Heath
Governor / Trustee lead	Gareth Eagle

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£26235
Recovery premium funding allocation this academic year	£2175
Pupil premium (and recovery premium*) funding carried forward from previous years (<i>enter £0 if not applicable</i>) <i>*Recovery premium received in academic year 2021 to 2022 can be carried forward to academic year 2022 to</i>	£0

<p><i>2023. Recovery premium received in academic year 2022 to 2023 cannot be carried forward to 2023 to 2024.</i></p>	
<p>Total budget for this academic year <i>If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year</i></p>	<p>£28410</p>

Part A: Pupil premium strategy plan

Statement of intent

At Thompson Primary School all members of staff and governors accept responsibility for all pupils, recognising that a number of pupils within the school population, some of whom are not eligible for pupil premium funding, may at any point during their school career require additional support and intervention. We are committed to meeting our pupils' pastoral, social and academic needs. As with every child in our care, a child who is in receipt of the pupil premium is valued, respected, and entitled to develop to their full potential. The ultimate objectives for our pupils who are in receipt of pupil premium are:

To ensure the attendance of pupils in receipt of pupil premium is at least in line with those of peers in school.

We know that children learn best when they attend school regularly. However, the attendance of the pupil premium group is lower than the attendance of those not in receipt of pupil premium. In our strategy we focus on encouraging attendance through meeting the well-being needs of pupils and families, by providing exciting learning opportunities including access to forest schools and actively engaging with families to encourage and support good attendance in school.

To continue to ensure the outcomes for pupils in receipt of pupil premium are at least in line with those of peers in school across the curriculum.

14% of our pupils in receipt of pupil premium have identified special educational needs. In all cases we strive to ensure all our pupils make good progress. We believe that all our pupils benefit from quality first teaching every day, with further additional intervention through one to one, precision teaching and small group teaching. We have accessed this using our current staff in school. We work to ensure high aspiration and high quality provision for all pupils in receipt of pupil premium.

Ensure the well-being needs of all pupils in receipt of pupil premium funding are met to ensure they are on track to make or exceed expected progress and attainment.

At Thompson Primary School we know children must be ready to learn by ensuring their personal, social, emotional and developmental needs are met. We are establishing a successful wellbeing programme in school and fortnightly Forest School sessions for all children. The PSA also works alongside families and children in school to support needs when they arise. This early intervention helps to remove these barriers sooner in the child's education. Lockdown has seen an increase in pupils' emotional and social needs that impact on learning with increases in both pupil and

adult mental health and wellbeing needs. Our strategy includes Thrive sessions to support learners.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1 Progress in Mathematics	Aim to achieve national average progress scores in KS2 mathematics; ensure teaching staff are supported in identifying and implementing clear, precise, timed, impactful interventions for underachieving pupils without SEND.
2 Progress in reading	Aim to achieve national average progress scores in KS2 reading; ensure teaching staff are supported in identifying and implementing clear, precise, timed, impactful interventions for underachieving pupils without SEND.
3 Progress in writing	Aim to achieve national average progress scores in KS2 writing; ensure teaching staff are supported in identifying and implementing clear, precise, timed, impactful interventions for underachieving pupils without SEND.
4 SEMH	Aim to ensure that pupils are supported, so that they can self-regulate, manage their feelings and access learning.
5 Attendance	Aim to achieve national levels of attendance and punctuality; ensure parents and pupils receive targeted support from staff, when required.
6. Readiness for learning	Children are not always in the correct mind set for learning due to a range of factors.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Maths	Children achieve at least expected progress by the end of the year; gaps between PP and non-PP children are narrowed or closed – measured in end of KS2 SATs and teacher assessments

Progress in Reading	Children achieve at least expected progress by the end of the year; gaps between PP and non-PP children are narrowed or closed – measured in end of KS2 SATs and teacher assessments
Progress in Writing	Children achieve at least expected progress by the end of the year; gaps between PP and non-PP children are narrowed or closed – measured in Teacher assessments
Raise attendance to above 96%	Ensure attendance of disadvantaged pupils is at least 96%
Pupils with SEMH needs have strategies to support their learning	Children with SEMH needs will be able to learn effectively alongside their peers

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 2150

Activity	Evidence that supports this approach	Challenge number(s) addressed
National college subscription for all staff to be able to access high quality CPD	https://www.headteacher-update.com/content/best-practice/cpd-creating-a-thriving-school-culture	1,2,3,4 and 5
Embedding Monster Phonics scheme (a DfE validated Systematic Synthetic Phonics programme) to secure stronger phonics	https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics	2 and 3

teaching for all pupils.		
--------------------------	--	--

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £ 9360

Activity	Evidence that supports this approach	Challenge number(s) addressed
Interventions to be provided for those pupils who require additional support	https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/small-group-tuition	1, 2 and 3
Precision teaching sessions	https://www.twinkl.co.uk/teaching-wiki/precision-teaching#:~:text=Precision%20teaching%20is%20an%20evidenced,ensure%20that%20it%20is%20effective. https://www.structural-learning.com/post/precision-teaching-a-teachers-guide#:~:text=As%20a%20result%2C%20Precision%20Teaching.Precision%20Teaching%3A%20Discoveries%20and%20Effects.	1, 2 and 3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 16902

Activity	Evidence that supports this approach	Challenge number(s) addressed
PSA to support pupils and parents effectively regarding attendance and other targeted support	https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/attendance-interventions-rapid-evidence-assessment https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/parental-engagement	5 and 6
